PROJECTS

Iridescence Interest Group

Graphics & Publicity Chair | August 2019 - Present

Created the brand of the Interest Group. Manage the social media presence of the group and design graphic materials for a variety of events to promote across multiple social media outlets.

dotQuiet: Learn Linux

User Experience & Graphic Designer | Fall 2019

Worked in a team to build a website that functions to interactively teach the user about Linux and its history. Designed the desktop and mobile layouts.

Eyeballer

UB Hackathon 2019 | November 2019

Designed the interface of a Google Chrome extension built from Javascript that allows the user to control active window with eye movement.

EXTRACURRICULARS

Women in Computing at RIT (WiC)
